Dear Pratya Sararun Nuankaew,

We thank you for submitting paper id 34: "A Compatible Model for Hybrid Learning and Self-Regulated Learning During the COVID-19 Pandemic Using Machine Learning Analytics " to International EdTech Conference 2023. We are happy to inform you that your paper has been accepted.

Enclosed are the final reviews we want you to incorporate in your camera-ready submission. Kindly adhere strictly to the Springer conference proceedings guidelines and templates while submitting your camera-ready version. Make sure that the plagiarism should not be above 15% in any case. Kindly format the references properly and consistently to avoid any iterations that may delay the publication process. Kindly provide high-quality figures in the final version. Kindly check for the use of English, grammar, and punctuation once. Please note that Lecture Notes in Electrical Engineering follows the Reference Style: Basic, Citation Style: Numbered, and Numbering Style: Content Only. Here are the Key Style Points: <https://resource-cms.springernature.com/springer-cms/rest/v1/content/3322/data/v10>

The registrations for International EdTech Conference 2023 are open. Kindly follow the deadlines as mentioned on the conference website. After completing all the registration formalities, kindly complete the form: <https://forms.gle/F8AaoFyvXR1xmKHA>.

Thank you for considering International EdTech Conference 2023 as your platform of choice to share your work, and we hope to meet you at the venue.

We will soon be launching the next edition of International EdTech Conference 2023. You are motivated to suggest the conference to your peers and friends working in this area.

Sincerely,
General Chairs
