<div>Dear Author,</div> <div><u>Your article has been accepted for publication.</u> Please upload the camera-ready version within 7 days, following the guidelines in https://www.online-journals.org/index.php/i-jes/libraryFiles/downloadPublic/15 and carefully checking these aspects:</div> <ul style="list-style-type: none">Have the authors' names been added (names, affiliation, email)?Have the authors' bios been added at the end of the article?Are references correct? Numbers in the text [1], numbered list at the end of the paper. Citations like Miller et al. (2002) must be changed to [number] by the authors.Are all references there? Take a quick look: when you find a [35] in the manuscript text, but only 20 references in the list at the end, the paper should be corrected.No figures/tables missing? Take a quick look: it's not that rare that figures or tables are mentioned in the text that are actually not there. <div>Best regards,</div> <div>Editorial Board</div>	<div>palmierijm</div> <div>2025-06-11 10:52 PM</div>
