Dear Author(s),

Attached, you will find the reviewer feedback for your manuscript titled "Leveraged Cognitive Data Analytics and Artificial Intelligence to Enhance Sustainable Agricultural Practices: A Systematic Review".

Kindly revise your paper based on the provided feedback and submit the updated version formatted according to the SAI Paper format, which can be accessed here: http://thesai.org/Home/Downloads.

Submit your camera-ready paper (both .docx and .pdf files) as a reply to this email no later than June 23, 2025. If your paper is in LaTeX format, kindly provide the LaTeX source files in a zip folder along with the .pdf.

Tentative Publication Date - 30 June 2025

Our publication team is highly skilled in addressing most formatting issues in manuscripts. In the rare event that an issue cannot be resolved, the manuscript may be moved to the next issue. There will be no additional charges or liabilities in such cases.

Thank you for considering IJACSA as a medium for publication of your work.

Regards,
Editor
IJACSA
The Science and Information (SAI) Organization

P.S. You can now rewatch the keynote talks from previous conferences available on our Youtube channel. Press play and get inspired!
