Dear Pratya Nuankaew

Paper ID : 474

Title : Integrating OCR and AI for Automated Medication Label and Medical Appointment Management in Digital Health Systems

Greetings!

We are pleased to inform you that the decision on your submitted paper has been released and communicated to the author. The registration for your accepted paper is now open and will remain available until February 16, 2026.

The Organizing Committee firmly believes that participation in conferences enhances academic collaboration and strengthens research networks. We encourage you to take this opportunity to register and be part of the prestigious ICTIS 2026 Conference.

Please complete your registration using the following link: <https://ictisthailand.com/registration.php>

Should you face any issues during the registration process, please do not hesitate to contact us at: support@ictisthailand.com

We look forward to your registration and active participation.

--

Best Regards,
ICTIS 2026,
Bangkok, Thailand.
